Re: United States v Donde Lindsay  
6:24-mj-04013

Dear Judge Payson:

I'm writing to request a two-week adjournment of Mr. Lindsay's detention hearing scheduled for tomorrow afternoon. The government does not object. Mr. Lindsay wanted to adjourn the hearing to give me additional time to finish reviewing the government's discovery production and to continue plea discussions.

Thank you for your consideration.

Respectfully,

/s/ JOHN J. GILSENAN

Request granted. The requested  
detention hearing is adjourned  
until 5/8/24 at 2pm. Time  
is automatically under from  
the Speedy Trial Act under  
18 USC § 3161(h)(1)(D) due to  
the continued pendency of  
the government's detention  
hearing. SO ORDERED.
